May 2017

Dear AJHA Member,

In 2017, many exciting events are happening within our province and our neighbor province of BC! Every year the AJHA has a planned Junior Hereford show and it will be hosted in Lacombe this year on July 2,3&4th, 2017. The two-day event is scheduled to have learning opportunities of Showmanship, Grooming, Marketing and Judging and of course great social time with the other members of the AJHA.

We also hold the Annual General Meeting at this event which is an opportunity to be part of the organizing team of the AJHA Provincial Show and share your ideas and thoughts towards the promoting of the Hereford breed within our province. If you are interested in partaking in this leadership please do not hesitate to contact me about these positions on the AJHA board. We always welcome members to be part of the meetings regardless – everyone has great ideas and the more we have on board the more fun it will be.

You also have the opportunity to participate in the Canadian Junior Hereford Show called “Bonanza” which will be held in Abbotsford, BC on July 17-21, 2017. Another great opportunity to meet other Hereford enthusiasts and competing at a different level. This show moves across Canada and it is great to have it next door this July.

Please find attached the entry form for the Provincial Show for July 2-4, 2017 held in Lacombe, AB. If there are any questions or concerns please contact me. Looking forward to meeting everyone this year and working with you in your Hereford cattle needs.

Sincerely,

Lacey Prichard
