Entry Deadline is October 1, 2017

Additional Details:

- 1) Please note we will need a herd/family history/biography for display. Please prepare and forward to Jacob Onyschuk at CHA Office: (jacob@hereford.ca)
- 2) ALL BULLS WILL NEED TO BE ENTERED WITH NORTHLANDS. Please ensure that the animal you enter has also been registered with Northlands. This is the easiest way to ensure that Northlands would receive the required insurance and liability coverage from each exhibitor. All bulls are also free to participate in the open class for their age category if the owner wishes.

Please note that Farmfair entry deadline is October 1, 2017.

- 3) ANIMALS SHALL BE WELL BROKE TO HANDLE AND LEAD. NOSE RINGS ARE REQUIRED.

This is not a pen show. The bulls will be led to tie outs each night and will be amongst other bulls and people. Please ensure your bull is quiet for the safety of all our exhibitors, crew, and spectators. An unbroken or mean bull will be removed at the discretion of the organizers and/or Northlands if human safety is likely to be jeopardized.
